

## Homenetmen Western US Region

### Notification and Authorization to Release Criminal Information for Volunteer / Employment Service Purposes

#### Notification

As a condition of employment and/or volunteer service in Homenetmen Western Region, including but not limited to all its chapters, subdivisions, and affiliates therein, I am required to consent to a criminal background check as a condition of service. This check includes the following: Criminal history reference searches for felony and misdemeanor convictions at the county and federal levels of every jurisdiction where I currently reside or where I have resided during the past 7 years; and sex offender registry searches at the county and federal levels in every jurisdiction where I currently reside or where I have resided.

#### Authorization

I hereby authorize Homenetmen Western Region to conduct the criminal background check described above. In connection with this, I also authorize the use of law enforcement agencies and/or any private background check organizations to assist Homenetmen in collecting this information.

I also am aware that records of convictions, and/or, arrests on pending charges are not an absolute bar to service. Such information will be used by Homenetmen to determine my continued service based on the organizational guidelines, and the best interests of the Organization, and at the sole discretion of the Homenetmen Western Regional Executive Board. The results of the background check will be shared with me, and will otherwise remain confidential. I understand that should Homenetmen Western Region Executive Board determine that based on the results of the background check my services are to be terminated, I will be notified in writing within ten days from the time such decision is reached.

A telephone facsimile (fax) or xerographic/scanned copy of this consent shall be considered as valid as the original consent.
